

Financial Aid Application

Stage Right! seeks to enroll all students wishing to participate regardless of ability to pay. Partial and full scholarship awards are based on financial need and the number of applications received. Due to a limited amount of funds, it is possible that not all applicants will be awarded the full amount of aid requested.

Students must reapply for financial aid annually. Assistance is awarded on a per-session basis. Because financial situations change, we require a NEW application yearly (or as needed, based on your financial situation). We also reserve the right to consider student's attendance records and commitment to the program when awarding financial aid.
